

National Commission on Digestive Diseases

November 16, 1977

Dr. Leonidas Berry
5142 Ellis Avenue
Chicago, Illinois 60615

Dear Dr. Berry:

On behalf of the National Commission on Digestive Diseases, I would like to thank you for your participation at the Public Hearing in Chicago on November 3, 1977. Your comments and the comments of others permit the Commission and the Congress to obtain a far broader perspective on digestive diseases than would otherwise be possible. Be assured that your personal contribution to the Commission's efforts is very important and much appreciated.

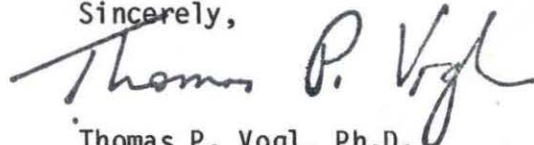

We would like to include your testimony in the Commission's final report to the Congress. To be able to do this, we need your written testimony, which need not be exactly the same as your oral presentation. Your written testimony will also be distributed to all the Commissioners and Workgroups so that they may consider its contents as they prepare their reports. Therefore, could you please send your testimony at your earliest convenience to:

Thomas P. Vogl, Ph.D
Executive Secretary
Federal Building Room 6C16
7550 Wisconsin Avenue
Bethesda, Maryland 20014

In addition, your name has been placed on the mailing list of our periodic newsletter which will keep you up to date on the progress of the Commission's activities.

Again, I thank you for your contribution to the Commission's work.

Sincerely,

Thomas P. Vogl, Ph.D.
Executive Secretary
