Mr. Daniel Weiss, Executive Sec.
American College of Gastroenterology
33 West 60th Street
New York 23, New York

Dear Mr. Weiss:

I am looking forward to the meetings here in Chicago next October. I am writing a short note, at this time, to ask that where ever my name appears in print on the program, and otherwise, please limit titles to M.D. only and leave off all others, such as M.S., ScD., and FACG.

Sincerely yours,

Leonidas H. Berry, M.D.
