Dear Doctor Rosenow:

I am writing to recommend Dr. Helen Rhetta, who is a well-trained internist whom I have known for many years, for attendance at the convention of the college to be held in Chicago in 1965.

Dr. Rhetta is a careful student of internal medicine and is the kind of person who would gain a great deal from the lectures and demonstrations at the college meetings. Please authorize her attendance for these meetings. Many thanks.

Very truly yours,

Leonidas H. Berry, M.D.
