Dear Hugh:

I thought I had sent you a copy of this letter. I hope that by now you have received communication from Dr. Mann, or his Chairman of his Department of Medicine. *the enclosed*

the I received notification of my appointment to the Committee on Special Problems regarding Blacks. I appreciate this very much and will try to do a worthy job. Dr. John R. Graham has written me about the proposed telephone conference and Philadelphia meeting. I have answered his letter in this regard. I, therefore, may be hearing your voice if you are in the conference, or seeing you if you plan to be at the Philadelphia meeting. *the*

Hope you are fine and that being the new pilot of the ship is not taking too much of a toll, I am

Sincerely yours,

Leonidas H. Berry, M.D.
