Dear Ed:

I hope that you are enjoying the very best of health as we move along toward the Annual Convention of the Bicentennial year. I am sorry to say that I have been rather ill perhaps more from accumulated stress and strain than any than anything else. However, I have cut my practice very sharply and other activities to a semi-retirement level. I think I requested some time ago to be given Emeritus Status with exemption of dues. I don't know the exact rules but I am sure that my age makes me eligible for this status. I am returning herewith a statement for dues in accordance with my request. I am enclosing a copy of some quotes from reviews of my book of 18 months ago.

With my very best wishes and kindest personal regards.

I remain,

Sincerely yours,

Leonidas H. Berry, M.D.
