## Class 2 Activity: Writing Prompts

Think about a time when you or a family member/friend was ill. What was that like? Did people treat you/family member/friend differently? Quickly complete the following prompts, allowing no more than 2 minutes for each prompt, writing the entire time without stopping.

| <ol> <li>When [I/my family member/friend was sick], per</li> </ol> |
|--|
|--|

2. It was especially hard for me to deal with my [illness/illness in my family/my friend's illness] when...

3. One thing about being around sick people that my people don't understand is...

4. My proudest moment as a [patient/family member of a sick loved-one] was when I...

## Class 2 Activity: Writing Prompts

6. One of the most troubling things I ever experienced regarding [health/medicine/being ill] was...

For the Comic-Making Project outlined in Class 7, you may choose to elaborate on one or two of the prompts, by filling in the details of the situation using 1-2 paragraphs. This can become a first draft of your story for the project.
