Attn: Megan Kissell
801 North Fairfax Street Suite 400
Alexandria, VA 22314

Dear Ms. Kissell:

It is with great pleasure that I nominate Dr. Sandral Hullett to the Local Legends Exhibit. Hullett has shown exemplary community involvement by helping the underserved and underinsured. Over the years, Hullett has demonstrated a commitment to the rural community through extensive research, clinical trials, and community outreach programs.

As a graduate of the Birmingham public school system, Hullett feels obligated to give back to the public. Childhood visits to her grandparents' rural community has drawn her to rural practice. Hullett has committed herself to working in a rural area where there is a lack of providers and disadvantaged people need health care.

Hullett served as a member of the Board of Trustees of the University of Alabama, and is presently serving on the Board of Directors of DAB Health System. She acts as project director and principle investigator for grants funded by the National Cancer Institute, Robert Wood Johnson Foundation, Kellogg Foundation, Ford Foundation, and many more. Also, she is co-author of numerous nationally published articles on health care among rural primary care communities. Hullett's accomplishments involve many presentations, publications, and grants in the public health area, and she says she sees these achievements as "just a part of what I do."

Hullett's curriculum vita illustrates the wonders of her achievements, but Hullett's commitment goes well beyond the print. The many lives touched through her work in Jefferson County and Greene County is remarkable. Dr. Sandral Hullett is a candidate I strongly nominate because of her daily involvement that goes above and beyond the call of duty.

Sincerely,

Artur Davis
