

The History of Medicine Division of the National Library of Medicine is pleased to present our newest traveling banner exhibition ***For All the People: A Century of Citizen Action in Health Care Reform***. We hope that the following information will be helpful to you as you prepare for the exhibition's arrival and installation at your institution.

Health care reform has been a contentious political issue in the United States for more than a hundred years. From the beginning of the 20th century to today, citizens have made their voices heard in these debates. ***For All the People*** tells the lesser-known story of how movements of ordinary people helped shape the changing American health care system.

Exhibition Requirements

The exhibit consists of six free-standing graphic panels and is transported in two plastic wheeled graphics tubes.

- 1) 500 square feet of floor space (minimum)
- 2) 2 people for unpacking and set-up
- 3) Safe, secure, indoor storage for exhibition travel containers - two plastic tubes with wheels – 46" H x 22" diameter and 55 lbs. each.
- 4) Avoid display of the exhibit in an area with direct sunlight.
- 5) Please use latex gloves when installing the exhibition and be sure that your hands are clean when handling the panels without gloves.
- 6) Please complete the *Host Venue Report* within two weeks of the closing of the exhibition and return to the National Library of Medicine, Exhibition Registrar.
- 7) Please provide the National Library of Medicine with copies of any publicity, advertising, or supplemental materials that are produced for the exhibition.
- 8) If possible, please provide digital images of your installation.

Exhibition Credit

The following exhibition credit should appear in any materials and publicity produced in association with the exhibition:

This exhibition was produced by the National Library of Medicine, National Institutes of Health.

What You Will Receive

- 1) Two plastic graphics tubes each containing three large cloth cylinders and three small cloth cylinders.
- 2) Each small cloth bag contains one metal base and one collapsible rod. This makes up the panel structure.
- 3) Each larger cloth cylinder contains one rolled graphic panel.
- 4) The exhibition does not come with lighting.

What To Expect

- 1) Each plastic graphics tube has wheels to make it easier to transport to your exhibit space.
- 2) You should expect to spend about one to two hours setting up the exhibit from unpacking to complete installation.
- 3) You should have at least two people for set-up.
- 4) You should be prepared to weigh down the bases to increase stability of the panels, if necessary.
