

Against the Odds: Making a Difference in Global Health

Traveling Exhibition Basic Information

The National Library of Medicine is pleased to provide you with this exceptional traveling banner exhibition. We hope that the following information will be helpful to you as you prepare for the banner exhibition's arrival and installation at your institution.

Against the Odds: Making a Difference in Global Health is a traveling banner exhibition highlighting the role of communities in improving health at home and all around the world. The show explores the shared basic needs required for a good quality of life, including nutritious food and clean water, a safe place to live, and affordable health care.

The banner exhibition consists of six free-standing graphic panels and is transported in two plastic wheeled graphics tubes.

Exhibition Requirements

- 1) 500 square feet of floor space (minimum)
- 2) 2 people for unpacking and set-up
- 3) Safe, secure, indoor storage for exhibition travel containers - two plastic tubes with wheels - 46" H x 19" diameter each
- 4) Avoid display of the exhibit in an area with direct sunlight.
- 5) Please use latex gloves when installing the exhibition and be sure that your hands are clean when handling the panels without gloves.
- 6) Please complete the *Host Venue Report* within two weeks of the closing of the exhibition and return to the National Library of Medicine, Exhibition Registrar.
- 7) Please provide the National Library of Medicine with copies of any publicity, advertising, or supplemental materials that are produced for the exhibition.
- 8) If possible, a digital image of your installation would be appreciated

Exhibition Credit

The following exhibition credit should appear in any materials and publicity produced in association with the exhibition:

This exhibition is brought to you by the National Library of Medicine.

What You Will Receive

- 1) Two plastic graphics tubes each containing three cloth cylinders and three cloth bags.
- 2) Each cloth bag contains one metal base and one collapsible rod. This makes up the panel structure.
- 3) Each cloth cylinder contains one rolled graphic panel.
- 4) The exhibition does not come with lighting.

What To Expect

- 1) Each plastic graphics tube has wheels to make it easier to transport to your exhibit space.
- 2) You should expect to spend about two hours setting up the exhibit from unpacking to complete installation.
- 3) You should have at least two people for set-up.
- 4) You should be prepared to weigh down the bases to increase stability of the panels, if necessary.
