

# Creating a New NCBI Account

## Getting Started

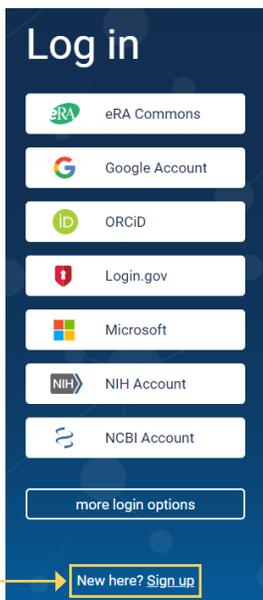

**1** At the top of most NCBI pages, click **Log in** located on the top right of the toolbar.

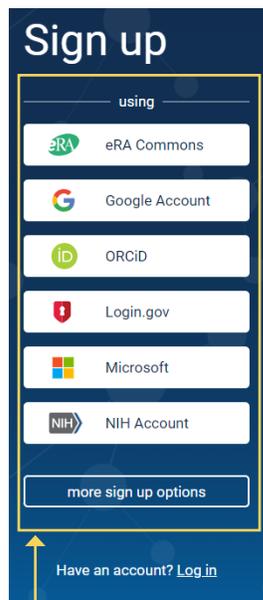

**4** After logging in with your chosen Partner Organization, you will be redirected to this NCBI page to **complete your registration**.

**2** Click **New here? Sign up.**

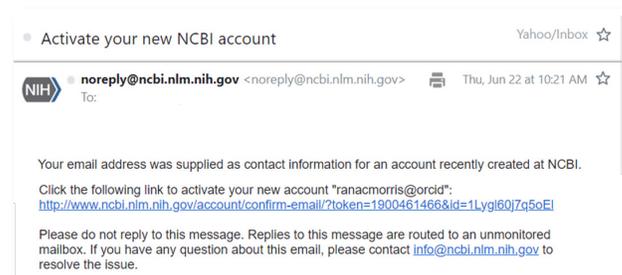

**3** You may use any of the icons listed or select **more sign up options** which includes most institutions.

All available Partner organization logins are listed. Clicking one will take you to the Partner login page.

**5** Activate your account by **confirming your email**.
