

# MedlinePlus<sup>®</sup>

Trusted Health Information for You

[medlineplus.gov](https://medlineplus.gov)

MedlinePlus is a free online health information resource for patients and their families and friends.

Every day, people turn to MedlinePlus to find reliable, up-to-date information about diseases, conditions, and wellness topics. This trusted resource is available anytime, anywhere, on any device.

**The National Library of Medicine is here to be your partner in health.**

**Health Topics:** Read about wellness issues and the symptoms, causes, treatment, and prevention of over 1,000 diseases, illnesses, and health conditions. Each health topic page links to information from NIH and other authoritative sources, as well as a PubMed<sup>®</sup> search.

**Drugs & Supplements:** Learn about prescription drugs, over-the-counter medicines, dietary supplements, and herbal remedies.
